

Roger Tylor, Let's Get Crazy

Hey little mama
Give me the keys tonight
(Oooh. Whatcha gonna do)
Hey little honey
You're comin' out with me. Tonight
(Oooh. Whatcha gonna do)
Let's jump in your wheels
And see how it feels. Tonight
Let's get crazy. Let's get crazy tonight
Ooooh yeah
Let's get crazy. Let's get riled
Oh yeah
Let's get crazy. Let's get wild tonight
You know that I told you I'd always be true
You know that I could never tell a lie
Well if you believe me the joke is on you
I'll always be crazy till the day I die
Hey little fruitcake
Don't wear no shoes. Tonight
(Oooh. Whatcha gonna do)
We'll get some action
Nothin' to lose. Tonight
(Oooh. Whatcha gonna do)
Just play your part
I'll show you my heart. Tonight
Let's get crazy. Let's get crazy tonight
Oooh yeah
Let's get crazy Let's get insane
Oh yeah
Tell ya baby
You won't feel no pain. Tonight
Let's get crazy. Let's get crazy
Let's get crazy. Let's get crazy tonight
Alright.
