Roger Waters, Another Brick In The Wall (Parts 1

We don't need no education We don't need no thought control No dark sarcasm in the classroom Teacher leave them kids alone Hey teacher, leave the kids alone

All in all it's just another brick in the wall All in all you're just another brick in the wall

We don't need no education
We don't need no thought control
No dark sarcasm in the classroom
Teacher leave the kids alone
Hey teacher leave us kids alone

All in all you're just another brick in the wall All in all you're just another brick in the wall

We don't need no education We don't need no thought control No dark sarcasm in the classroom Teacher leave the kids alone Hey teacher leave us kids alone

All in all you're just another brick in the wall All in all you're just another brick in the wall
