

# Roger Waters, Breathe (in Album 'In The Flesh Live')

Breathe, breathe in the air  
Don't be afraid to care  
Leave, but don't leave me  
Look around  
Choose your own ground  
For long you live and high you fly  
And smiles you'll give and tears you'll cry  
And all you touch and all you see  
Is all your life will ever be  
Run, rabbit run  
Dig that hole, forget the sun  
And when at last the work is done  
Don't sit down  
It's time to dig another one  
For long you live and high you fly  
But only if you ride the tide  
Balanced on the biggest wave  
You race towards an early grave
