

Roger Waters, Me Or Him

You wake up in the morning, get something for the pot
Wonder why the sun makes the rocks feel hot
Draw on the walls, eat, get laid
Back in the good old days

Then some damn fool invents the wheel
Listen to the whitewalls squeal
You spend all day looking for a parking spot
Nothing for the heart, nothing for the pot

Benny turned the dial on his Short Wave radio
Oh how he wanted to talk to the people,
he wanted his own show
Tune in Moscow. Tune in New York
Listen tot the Welsh kid talk
Communicating like in the good old days

Forgive me father for I have sinned
It was either me or him
And a voice said Benny
You fucked the whole thing up
Benny your time is up
Your time is up

Benny turned the dial on his Short Wave radio
He wanted to talk to the people
He wanted his own show
Tune in Moscow. Tune in New York
Listen to the Welsh kid talk communicating
Like in the good old days

Forgive me Father
Welsh Policeman: Mobile One Two to Central.
For I have sinned
Welsh Policeman: We have a multiple on the A465
between Cwmbran and Cylgoch.
Father it was either me or him.
Father can we turn back the clock?
Welsh Policeman: Ambulance, over.
I never meant to drop the concrete block.
Welsh Policeman: Roger central, over and out.

Benny turned the dial on his Short Wave radio
He wanted to talk to the people
He wanted his own show
Tune in Moscow. Tune in New York
Listen to the Welsh kid talk
Just like in the good old days
The good old days

Radio announcer: Do you really think Iranian terrorists
would have taken Americans hostage if Ronald Reagan
were president? Do you really think the Russians
would have invaded Afghanistan if Ronald Reagan were
president? Do you really think third-rate military
dictators would laugh at America and burn our flag in
contempt if Ronald Reagan were president?
Concerned Citizen: Well, it might work!
Hostage: We as a group do most importantly want to beseech
President Reagan and our fellow Americans to refrain
from any form of military or violent means as an attempt,
no matter how noble or heroic, to secure our freedom.

Concerned Citizen: Sure! Only it's going to be mighty dangerous

for you, Cassidy

Hoppy's faithful sidekick: guess you don't know Hopalong Cassidy,
Mister. Adventure's his bread, excitement's his butter
and danger, why to him that's like strawberry jam to
top it off.

Jim: This is some live rock and roll at KAOS, where rock and roll
comes out of chaos and a song called "The Powers that Be";
