

Roger Waters, Who Needs Information

Me and Benny went out last night
Looking for fun
Supping ale in the moonlight
Waiting for the dawn to come
Benny pointed at a HiFi shop
He said hey man look at all the stuff they've got
How'd you make a have out of a have not
HmMMM.
Who needs information
When you're working underground
Just give me confirmation
We could win a million pounds

Benny climbed up on a footbridge
And he teetered on the parapet
He said can you see the whites of their headlights
Are they coming yet

Who needs information
This high off the ground
Just give me confirmation
We could win a million pounds

Who needs information
When you're living in constant fear
Just give me confirmation
There's some way out of here
Some way out of here

Benny hefted a breeze block
And tried to let go
Got hung up on a tear drop
So me and Benny went home

Who needs information
When you're living in constant fear
Just give me confirmation
There's some way out of here
Some way out of here

Who needs information yeah
When you're living on borrowed time
Just give me confirmation
There will be a winner this time

Who needs information when you're working underground
Just give me confirmation
We could win a million pounds
Who needs, who needs, who needs information
This high off the ground
Just give me confirmation
We could win a million pounds - yeah

Jim: Um. So your brother's in jail?
