

# Rogue Wave, 10:1

curious talk at the photomat  
do you really think you're all that?  
with your head down  
you're 10 to 1

we don't need to read or rhyme  
only breaking down maybe half of the time  
what you couldn't fit  
you're 10 to 1  
for me  
for me

what are you offering? (x3)  
freeing my mind

with your head down  
you're 10 to 1 (x6)

no l...  
no  
aw oh aw ooooh

you're fine

you're 10 to 1  
freeing my mind  
lay 'em by-nd (?)

free your mind
