Oh la la la la la la la la la la la

Open my door I've been in here  
You know that it's love and it's knocking in  
I know that i used to you but you're different

You cut me off again you bring me down  
You say I'm yours but then you're out of touch  
The tension rises till we hit the ground  
You cut me off again  
You bring me down

Oh you're breaking me na na na  
Been playing with your love don't lie  
That it's been just us  
Oh you're breaking me na na na  
Been playing with your love don't lie  
That it's been just us  
Na na na na na na na na na na na na na na na na

Lift your window  
Let the sun come in  
Make it feel right till the morning hits  
I know that it's to you but you're different

Oh you cut me off again  
You bring me down  
You say I'm yours but then you're out of touch  
The tension rises till we hit the ground  
You cut me off again  
You bring me down  
Oh you breaking me na na na  
Been playing with your love all night  
And it's been just us  
Oh you're breaking me na na na na  
Been playing with your love all night  
And it's been just us  
Na na na na na na na na na na na na na na na na

Oh you're breaking me na na na na  
I'm playing with your love  
Don't lie to this just us  
Oh you're breaking me na na na na  
Been playing with your love  
Don't lie to this just us
