

# ROLE MODEL, neverletyougo

I could never let you go, no, I won't, no, I won't  
I could never let you go, no, I won't, no, I won't  
Uh, vamonos, falling like a domino  
On a roll, and you keep your mamma close  
Honestly, you get all my honesty  
Last man played you like Monopoly (damn)  
Tragedy, now you living happily (man)  
Trapped with me, no one's coming after me  
It's only us, hope you know you hold me up  
Photos on the 'Gram, damn I love it when you show me up  
Boys mad, got the girl they dream 'bout  
Girls mad 'cause I ain't as free now  
Ma's glad 'cause I show my teeth now  
In it for the long haul, I won't ever creep out  
I could never let you go, no, I won't, no, I won't  
I could never let you go, no, I won't, no, I won't  
If I start to slip, tighten my grip  
I'ma always hold you, don't you trip 'cause  
I could never let you go, no, I won't, no, I won't  
Yeah, holding tight, this ain't happen overnight  
It's cold tonight, so you sleeping over, right?  
Texting me, told you come have sex with me  
Respectfully, I think about you sexually (yes)  
Luckily, you forever stuck with me (bless)  
Trust in me, can't believe you fuck with me  
December hit, tell me you'll remember it  
Brought you to my family, yeah, my mamma said it's definite  
Boys mad, got the girl they dream 'bout  
Girls mad 'cause I ain't as free now  
Ma's glad 'cause I show my teeth now  
In it for the long haul, I won't ever creep out  
I could never let you go, no, I won't, no, I won't  
I could never let you go, no, I won't, no, I won't
