

Rolf Harris, Sun Arise

Sun arise, she bring in the morning.
Sun arise, bring in the morning, fluttering her skirts all around.
Sun arise, she come with the dawning.
Sun arise, come with the dawning, spreading all the light all around.

Sun arise, on the kangaroo paw.
Sun arise, on the kangaroo paw, glistening the dew all around.

Sun arise, filling all the hollows,
Sun arise, filling all the hollows, lighting up the hills all around.

Sun arise, come with the dawning,
Sun arise, she come every day.
Sun arise, bring in the morning,
Sun arise, every, every, every, every, day.
She drive away the darkness, every day,
Drive away the darkness,
Bringing back the warmth to the ground.

Sun arise, oh, oh,
Sun arise, oh, oh,
Spreading all the light all around.

Sun arise, bring in the morning.
Sun arise, bring in the morning, spreading all the light all around.
