

Rollergirl, Eternal Flame

Close your eyes give me you hand, darling
Do you feel my heart beating do you understand
Do you feel the same
Am I only dreaming
Is this burning
An eternal flame

I believe it's meant to be, darling
I watch you when you are sleeping
You belong with me
Do you feel the same
Am I only dreaming or is this burning an eternal flame

Say my name sun shine's through the rain
A whole life so lonely an then come and ease the pain
I don't wanna lose this feeling, ooh. (x2)

Close your eyes give me you hand,
Do you feel my heart beating do you understand
you feel the same
Am I only dreaming
But this burning
An eternal flame
