

Rollergirl, You Make Me Feel Like Dancing

You're the one
The one for me
Are you ready
To fly with me
Through the night
Of party and ecstasy

Take my hand
And fly with me

Keep on moving
To the speed melody
Let me show you
You are my destiny

You make me feel like dancing
Until the morning comes

You make me feel (romancing)
On and on and on...

You're the one
The one for me
Are you ready
To fly with me
Through the night
Of party and ecstasy

Take my hand
And fly with me
Keep on moving
To the speed melody
Let me show you
You are my destiny
