

# Rolling Stones, Can't Be Seen

(M. Jagger/K. Richards)

I just can't be seen with you  
I admit it anyway  
I just got obscene with you  
I don't stand a chance with you  
I never did anyway  
I can't even sleep with you  
I'd always be awake  
I just can't be seen with you  
It's for your own sake  
You're better off anyway  
It's too dangerous baby  
It's too dangerous  
It's too dangerous  
I just can't be seen with you  
They set us up so they can shoot us down  
Put us six feet underground  
It's just too deep for me baby  
I just can't be seen with you  
Although it hurts me to say  
Yeah it was just a dream with you  
Yeah because you're married anyway  
Oh shit  
Babe I don't stand a chance with you  
Oh you're better off this way  
It's hit and run away  
It's just too dangerous baby  
I just can't be, yes I got to chill this thing with you  
I just can't be  
It's just too dangerous baby  
Baby, it's just too much for me  
I just can't be  
I just can't be seen nowhere around you baby  
I just can't be  
It's too dangerous--it's just too dangerous baby  
Even in the dark  
I just can't be  
Yeah I got to chill with you  
I just can't be
