

# Rolling Stones, Carol

(Berry)

Oh, Carol  
Don't let him steal your heart away  
I'm gonna learn to dance  
If it takes me all night and day  
Climb into my machine so we can groove on out  
I know some swinging little joint where we can jump and shout  
It's not too far back on the highway not so long a ride  
You park the car out in the open you can walk inside  
A little cutie takes your hat and you can thank her ma'am  
'Cause every time you make the scene you find the joint is jammed  
Oh, Carol  
Don't let him steal your heart away  
I'm gonna learn to dance  
If it takes me all night and day  
Now, if you want to hear some music like the boys are playing  
Hold tight, bang your foot don't let it carry you away  
Don't let the heat overcome you when they play so loud  
Won't the music intrigue you when they get a crowd  
Well you can't dance I know you would you could  
I got my eyes on you, baby, cause you dance so good  
Oh, Carol  
Don't let him steal your heart away  
I'm gonna learn to dance  
If it takes me all night and day  
Oh, Carol  
Don't let him steal your heart away  
I've got to learn to dance  
If it takes me all night and day
