(Donaldson)

Oh, cherry, oh cherry, oh baby

you don't believe it true
why don't you love me, too
its so long i been waiting
for you to come right in
now that we are together
is make my joy run over

whoa, eeyo, eeyo, eeyo, eeyo
whoa, eeyo, eeyo, eeyo, eeyo

doncha know i in love with you
you don't believe i know
so why don't you try me
i'm never gonna let you down
never make you wear no frown
you say you love me madly
then why do you treat me badly

whoa, eeyo, eeyo, eeyo, eeyo

doncha know i in love with you
you don't believe i know
so why don't you try me (try me)
i'm never gonna let you down no
never make you wear no frown
you say you love me madly
then why do you treat me badly

whoa, eeyo, eeyo, eeyo, eeyo
