Rolling Stones, Congratulations

(M. Jagger/K. Richards)

Congratulations Congratulations Well done, my friend You've done it again You've gone and broken another heart Yeah, you've torn it apart You've done it before Hope to do it some more You've got it down to a fine art Remember the first time You tried to do it to me My girl won't fall Just wait and see Just wait and see Congratulations Congratulations You've gone and broken another heart Yeah, you've torn it apart La la, la la la la la la (congratulations)
