

Rolling Stones, Everybody Needs Somebody To Love

(Russell/Burke/Wexler)

I'm so glad to be here tonight and I'm so glad to be home. And I
Believe I've got a message for every woman and every man here tonight
That ever needed somebody to love. Someone to stay with them all the
Time, when they're up and when they're down. You know, sometimes you
Get what you want, and then you go and lose what you have. And I
Believe every woman and every man here tonight listen to my song and
It save the whole world. Listen to me.

Everybody wants somebody
Everybody wants somebody to love

Someone to love

Someone to kiss

Sometime to miss, now

Someone to squeeze

Someone to please

And I need you you you

I need you you you

I need you you you

I need you you you

Oh, sometimes I feel like

I feel a little sad inside

My baby mistreats me

And I kinda get a little little mad

I need you you you

To see me through, babe

When the sun go down

Ain't nobody else around

That's when I need you baby

That's when I say I love you

That's when I say I love you

Let me hear you say yeah

Let me hear you say yeah

Let me hear you say yeah

Let me hear you say yeah

I need you you you you

Somebody to see me through, baby

I need you you you

I need you you you

I need you you you

When the sun goes down

Ain't nobody else around

That's when I'm all by myself

That's when I need your lovin' darlin'

That's when I need you so bad

You're the one I really need bad (???)

I need you

To see me through baby

In the morning time too

When the sun goes down

Ain't nobody else around

I need your lovin' so bad

Everybody needs somebody to love

I'm not afraid to be by myself but I just need to be somebody to love

All the time

All the time

All the time

All the time

All the time, babe

I said all the time, babe

I said all the time, babe

I need you

I need your lovin' so bad

Let me hear you say yeah

Let me hear you say yeah
Let me hear you say yeah, yeah, yeah
Let me hear you say yeah
Uh, huh, huh, huh
Uh huh, huh huh huh
Yeah, I need you baby so bad bad bad, bad bad, bad bad bad bad
I need you
I need you you you
I need your lovin' babe
I need your lovin' darlin'
Everybody needs somebody
Everybody needs somebody
Everybody needs somebody
(repeat and ad lib)
