Rolling Stones, Everybody Needs Somebody To l

(Russell/Burke/Wexler)

I'm so glad to be here tonight and I'm so glad to be home. And I
Believe I've got a message for every woman and every man here tonight
That ever needed somebody to love. Someone to stay with them all the
Time, when they're up and when they're down. You know, sometimes you
Get what you want, and then you go and lose what you have. And I
Believe every woman and every man here tonight listen to my song and
It save the whole world. Listen to me.
Everybody wants somebody
Everybody wants somebody to love
Someone to love
Someone to kiss
Sometime to miss, now
Someone to squeeze
Someone to please
And I need you you you
I need you you you
I need you you you
I need you you you
Oh, sometimes I feel like
I feel a little sad inside
My baby mistreats me
And I kinda get a little little mad
I need you you you
To see me through, babe
When the sun go down
Ain't nobody else around
That's when I need you baby
That's when I say I love you
That's when I say I love you
Let me hear you say yeah
Let me hear you say yeah
Let me hear you say yeah
Let me hear you say yeah
I need you you you you
Somebody to see me through, baby
I need you you you
I need you you you
I need you you you
When the sun goes down
Ain't nobody else around
That's when I'm all by myself
That's when I need your lovin' darlin'
That's when I need you so bad
You're the one I really need bad (???)
I need you
To see me through baby
In the morning time too
When the sun goes down
Ain't nobody else around
I need your lovin' so bad
Everybody needs somebody to love
I'm not afraid to be by myself but I just need to be somebody to love
All the time
All the time
All the time
All the time
All the time, babe
I said all the time, babe
I said all the time, babe
I need you
I need your lovin' so bad
Let me hear you say yeah

Let me hear you say yeah
Let me hear you say yeah, yeah, yeah
Let me hear you say yeah
Uh, huh, huh, huh
Uh huh, huh huh huh
Yeah, I need you baby so bad bad bad, bad bad, bad bad bad bad
I need you
I need you you you
I need your lovin' babe
I need your lovin' darlin'
Everybody needs somebody
Everybody needs somebody
Everybody needs somebody
(repeat and ad lib)
