

# Rolling Stones, I Can't Help It

I think I decided to get out of the rain  
I wasn't thinkin' of your stayin'  
But when you pulled me off the door-step  
Somehow I knew I had the pain again  
Somehow I knew I need the pain, yes!  
I wasn't thinkin' cause the pa-in

'Cause I love too much  
I can't help it if I love you too much  
What did-you-do to make me love you too much?  
I can't help it if I love you  
I can't help it if I love you

Call it novelty fascination  
I call it nasty education  
Friends of mine, they'll snicker and sneer  
Their all laughin' while I cry in my beer  
I never give-in  
I get scared is that I never give-in

'Cause I love too much  
I can't help it 'cause I love you too much  
What did you get to make me love you too much?  
I can't help it if I love you  
I can't help it if I love you

I need no help to make me a fool  
Did it myself and it ... (???) I'm in here thinkin' about startin'  
up school  
(???) . . .you know  
First believe it can happen to you  
And when it does you know as much as I do

I love you too much  
I can't help it 'cause I love you too much  
What did you get to make me love you too much?  
I can't help it 'cause I love you  
I can't help it if I love you  
I can't help it if I love you
