

Rolling Stones, Let It Loose

(M. Jagger/K. Richards)

Who's that woman on your arm all dressed up to do you harm?
And I'm hip to what she'll do, give her just about a month or two.
Bit off more than I can chew and I knew what it was leading to,
Some things, well, I can't refuse,
One of them, one of them the bedroom blues.
She delivers right on time, I can't resist a corny line,
But take the shine right off you shoes,
Carryin', carryin' the bedroom blues.
Oo...
In the bar you're getting drunk, I ain't in love, I ain't in luck.
Hide the switch and shut the light, let it all come down tonight.
Maybe your friends think I'm just a stranger,
Some face you'll never see no more.
Let it all come down tonight.
Keep those tears hid out of sight, let it loose, let it all come down.
