

# Rolling Stones, Linda Lu

They call my baby Patty, but, her real name, her real name,  
her real name is Linda Lu  
They call my baby Patty, but, her real name, her real name,  
her real name is Linda Lu  
She's so fine and darn too pretty I never know what that  
baby gonna do  
She walkin' down the street, all the cats, all the cats, all the  
cats, turn to look around  
She walkin' down the street, all the cats, all the cats, all the  
cats, turn to look around  
She a fine dog-gone lady, she the best lookin' girl we had in  
this town

Gonna remember that girl on Saturday night  
We go out for the rest of my nights  
And in my roamin' and Daisy too  
And it's all because of that chick...

Linda Linda Linda Linda Linda, tell me what's you gonna  
do?  
Had a real bad dream last night  
I dreamed I went a stroll

You're a fine doggone lady  
You're, you gonna break my heart in two  
A Linda Lu  
All right solo...

Linda Lu, Linda Lu, Lu Linda Linda Linda Linda
