

# Rolling Stones, Rough Justice

One time you were my baby chicken  
Now you've grown into a fox  
And once upon a time I was your little rooster  
Am I just one of your cocks?

It's rough justice, oh yeah!  
You're gonna have to trust me  
It's rough justice  
But you know I never break your heart

So put your lips to my hips baby  
And tell me what's on your mind  
I know you still got that animal attraction for me  
It's been a long, long time

It's rough justice, oh yeah!  
We never thought it dusty  
It's rough justice  
But you know I never break your heart

You're feeling loose n' lusty  
So if you really want me  
It's rough justice  
And you know I never break your heart

It's rough justice, oh yeah!  
You think you really suss me?  
It's rough justice  
But you know I never break your heart

First time I saw baby  
You were springin' like a young gazelle  
And next thing I know, we're way down the road  
And you're flying like a bat outta hell

It's rough justice, oh yeah!  
You're attitude's disgusting  
You're gonna have to trust me  
But you know I never break your heart

I give you my possession  
Don't want no opposition  
It's rough justice  
But you know I never break your heart

Ohh!! Come on!!!! Oh yeah!!!!  
Whooo!! Come one baby, now....now... now...
