

# Rolling Stones, Slipping Away

(M. Jagger/K. Richards)

Guess it's just another dream  
That's slipping away  
Each time I fall asleep  
It seems I'm just drifting away  
Just as you have touched my heart  
Babe I wake and we're apart  
Yeah and it's slipping away  
Here comes just another day  
That's drifting away  
Every time I draw a breath  
It's dying away  
First the sun and then the moon  
One of them will be around soon  
Slipping away  
Slipping away  
Drifting away  
Slipping away  
Just as you have touched my heart  
I wake up babe and we're apart  
It seems we're slipping away  
Slipping away  
Slipping away  
All I want is ecstasy  
But I ain't getting much  
Just getting off on misery  
It seems I've lost my touch  
Well it's just another song  
But it's slipping away  
We we didn't sing it long  
'Cos it's fading away  
First the sun and then the moon  
One of them will be round soon  
Slipping away  
Slipping away  
Slipping away
