

Rolling Stones, Terrifying

(M. Jagger/K. Richards)

No matter what you say
No matter what you do
I'm lazy as a lion
My body's just for you
Crazy for you
I'm sneaky as a snake
I'm dirty as a dog
I'm rutting like a goat
I'm horny as a hog
Terrifying love
I get these strange strange strange desires
Strange strange strange desires
You're graceful as a bird
My heart is on the wing
You're gentle as a dove
If a humming bird could sing
Crazy for you
You're gunning like a deer
I'm wily as a fox
You're faster than a mare
I'm stronger than an ox
Terrifying love
I get these strange strange strange desires
Strange strange strange desires
Strange strange strange desires
I'm faithful as a swan
I'm darker than a bat
I'm friendly as a bear
And tougher than a rat
No matter what you say
No matter what you do
I'm restless as a cat
All caged up in a zoo
Terrifying love
I get these strange strange strange desires
Strange strange strange desires
Strange strange strange desires
