

# Rolling Stones, Terrifying

(M. Jagger/K. Richards)

No matter what you say  
No matter what you do  
I'm lazy as a lion  
My body's just for you  
Crazy for you  
I'm sneaky as a snake  
I'm dirty as a dog  
I'm rutting like a goat  
I'm horny as a hog  
Terrifying love  
I get these strange strange strange desires  
Strange strange strange desires  
You're graceful as a bird  
My heart is on the wing  
You're gentle as a dove  
If a humming bird could sing  
Crazy for you  
You're gunning like a deer  
I'm wily as a fox  
You're faster than a mare  
I'm stronger than an ox  
Terrifying love  
I get these strange strange strange desires  
Strange strange strange desires  
Strange strange strange desires  
I'm faithful as a swan  
I'm darker than a bat  
I'm friendly as a bear  
And tougher than a rat  
No matter what you say  
No matter what you do  
I'm restless as a cat  
All caged up in a zoo  
Terrifying love  
I get these strange strange strange desires  
Strange strange strange desires  
Strange strange strange desires
