

# Rolling Stones, That's How Strong My Love Is

(Jamison)

If I was the sun way up there  
I'd go with my love everywhere  
I'll be the moon when the sun go down  
To let you know I'm still around  
That's how strong my love is, baby  
That's how strong my love is  
That's how strong my love is  
That's how strong my love is  
I'll be the weeping willow drowning in my tears  
You can go swimming when you're here  
I'll be the rainbow when the sun is gone  
Wrap you in my colors and keep you warm  
That's how strong my love is  
That's how strong my love is  
That's how strong my love is  
That's how strong my love is  
I'll be the ocean so deep and wide  
I'll dry the tears when you cry  
I'll be the breeze when the storm is gone  
To dry your eyes and keep you warm  
That's how strong my love is  
That's how strong my love is  
That's how strong my love is  
Baby that's how strong my love is  
That's how strong my love is  
That's how strong my love is  
That's how strong my love is, baby  
That's how strong my love is, yeah  
That's how strong my love is  
So deep and so wide my love is  
Yes it is so strong can't get over it  
Is so wide you can't get around me  
That's how strong my love is  
Yeah it so strong, so strong, so strong  
Yeah yeah yeah, that's how strong my love is, is so strong  
I wanna tell you can't say how strong it is  
That's how strong my love is
