## Rolling Stones, Yesterday's Papers

(Jagger/Richards)

Who wants yesterdays papers Who wants yesterdays girl Who wants yesterdays papers Nobody in the world After this time i finally learned After the pain and hurt After all this what have i achieved I've realized it's time to leave Cause Who wants yesterdays papers Who wants yesterdays girl Who wants yesterdays papers Nobody in the world Living a life of constant change Every day means the turn of a page Yesterdays papers are such bad news Same thing applies to me and you Who wants yesterdays papers Who wants yesterdays girl Who wants yesterdays papers Nobody in the world Seems very hard to have just one girl When there's a million in the world All of these people just can't wait To fall right into their big mistake Who wants yesterdays papers Who wants yesterdays girl Who wants yesterdays papers Nobody in the world
