Rollins Band, One Shot

yeah out of the silence out of the void out of destruction mind I am calm hot animal I am gratefully guilty as charged I want to break it I want to kill it I want to rip it limb from limb I want to taste it I want to own it you get one shot don't miss me back in the lab they shock my brain I am electrically insane they charge me up they turn me loose I am rockin' past the threshold of pain and past abuse is put to use I took the hit and lost the fear I am? hot animal I am gratefully guilty as charged I want to break it I want to kill it I want to rip it limb from limb I want to taste it I want to own it you get one shot don't miss me this time outside the fear outside the chaos inside relentless mind I am? hot animal I am gratefully guilty as charged I want to break it I want to kill it I want to rip it limb from limb I want to taste it I want to own it you get one shot don't miss me no

no

don't miss me
