

# Rollins Band, You Let Yourself Down

I remember when you told me that you had it all nailed down

I remember when you told me that you had it all sewn up

You said you'd go all night long

All night long

All night long

You said you'd go all night long

You let yourself down

Let yourself down

You let yourself down again

You let yourself down

Let yourself down

Let yourself down

Let yourself down

Let yourself down

Let yourself down

Hang like hang man, junk like junk yard

Live off girlfriend, say how life's hard

All night long

All night long

You said you'd go all night long

Let yourself down

You let yourself down again

You let yourself down

Let yourself down

Let yourself down

Let yourself down

Let yourself down

Let yourself down

You used to date porno, now you just rent

Do you really wonder where the good times went?

Everyone around you saying you're the man

Now you're standing in the mirror saying I'm the man

All night long

All night long

You said you'd go all night long

Let yourself down

Let yourself down

You let yourself down again

You let yourself down

Let yourself down

Let yourself down

Let yourself down

Let yourself down

Let yourself down
