

# Rollins Band, You Look At You

Killin' myself again  
Losin' to myself again  
Livin' in a dream again  
Livin' on a lie again  
I've got do something and I've got to do it now  
I've gotta get to somethin' but I know I don't know how  
Always keepin' busy takin' other people's change  
I know I'm not afraid to push it but I'm too afraid to ask it  
Back to myself again  
Forget my name again  
Hate my guts again  
Parted my friends again  
You look at you  
You look at you  
Lookin' toward myself and all the people that I see  
Wonder what they're seein' when they're lookin' back at me  
I tell you that I hate you but you know that's just a lie  
You know that I don't mean it I'm the one that I despise  
Losin' my grip again  
Start to slip again  
Stand in line again  
Look at my mind again  
You look at you  
You look at you  
Can you deal with it  
Can you deal with it, deal with it, deal with it, deal with it, deal with it
