

Ron Sexsmith, Happiness

Happiness so hard to come by
So good while it lasts
Some people say
That it ain't worth pursuing
Cos it's always moving too fast

Still I wonder
What could it be
And I wonder
What does it mean
Cos I'm so in love with you
If this ain't happiness baby it'll do
Let's call it happiness
Yes

Happiness so hard to deal with
When there is sadness in your eyes
As you come through the door
It may leap out of the darkness
It's always yelling "Surprise!"

So I wonder
What does it mean
And I wonder
Why me
Cos I'm so in love with you
If this ain't happiness baby it'll do
Let's call it happiness
Yes

Oh there's no denying
It's one of those things
That money can't buy
But still we try

May we all mop up
And our cup runneth over
May we all have
More than enough of
Happiness
Happiness

Cos I'm so in love with you
If this ain't happiness baby it'll do
Let's call it happiness
Yes
