

Ronan Keating, Father And Son

Father

Its not time to make a change,
Just relax, take it easy.
Youre still young, thats your fault,
Theres so much you have to know.
Find a girl, settle down,
If you want you can marry.
Look at me, I am old, but Im happy.

I was once like you are now, and I know that its not easy,
To be calm when youve found something going on.
But take your time, think a lot,
Why, think of everything youve got.
For you will still be here tomorrow, but your dreams may not.

Son

How can I try to explain, when I do he turns away again.
Its always been the same, same old story.
From the moment I could talk I was ordered to listen.
Now theres a way and I know that I have to go away.
I know I have to go.

Father

I was once like you are now, and I know that its not easy,
To be calm when youve found something going on.
But take your time, think a lot,
Why, think of everything youve got.
For you will still be here tomorrow, but your dreams may not.

Son

All the times that I cried, keeping all the things I knew inside,
Its hard, but its harder to ignore it.
If they were right, Id agree, but its them you know not me.
Now theres a way and I know that I have to go away.
I know I have to go.
