

# Ronan Keating, When You Say Nothing At All

It's amazing how you can speak right to my heart  
Without saying a word, you can light up the dark  
Try as I may I can never explain  
What I hear when you don't say a thing

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall  
You say it best (say it best)  
When you say nothing at all

All day long I can hear people talking out loud  
But when you hold me near, you drown out the crowd  
Try as they may they could never define  
What's been said between your heart and mine

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall  
You say it best (say it best)  
When you say nothing at all

Oh  
The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall  
You say it best (say it best)  
When you say nothing at all

(You say it best when you say nothing at all  
You say it best when you say nothing at all)

That smile on your face  
The truth in your eyes  
The touch of your hand  
Let's me know that you need me  
(You say it best when you say nothing at all  
You say it best when you say nothing at all)
