

# Ronja Rebel, Love is all over me

Spinning around the floor in ecstasy  
Is it real or just a fantasy  
Exploding in my dreams is what you do  
Making all my fairytales come true  
Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams  
When the beat stops then you'd be gone  
When the strops are dead I'll be alone (I'll be all alone) (I'll be all alone yea)  
Baby let's get into the groove  
Show me all you're dirty moves  
Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams  
Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams  
If this ain't real don't wake me up  
I don't ever wanna stop  
No, no, no, no, no, ohh baby  
Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams  
Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams  
Come on, come on, come on  
Love is all over me  
You are the only one  
Living in my fantasy  
In my dreams
