

RONNIE HAWKINS, Cora Mae

Yeah i got a little woman named cora mae
She loves to boogie woogie till the break of day
Don't you know she just loves it
Don't you know she just loves it
Don't you know she just loves it she loves it all the time

Cora mae said ronnie baby you're so fine
I want to boogie just one more time
Don't you know she just loves it
Don't you know she just loves it
Don't you know she just loves it she loves it all the time

[piano - sax]

Cora mae gonna boogie till the day she die
She boogie when she's low and she boogie when she's high
Don't you know she just loves it
Don't you know she just loves it
Don't you know she just loves it she loves it all the time

[guitar - trumpet]

Yeah the last time i seen her it was a long time ago
She boogied all the way to old mexico
Don't you know she just loves it
Don't you know she just loves it
Don't you know she just loves it she loves it all the time
