

# Ronnie Milsap, A Day In The Life Of America

We wake up each morning and start every day  
With coffee, espresso and grande lattes  
Race into traffic and bitch while we wait  
Mad at the world for making us late  
We punch in, then lunch in, then punch out again  
Rush home to clean up the messes we left  
Microwave dinner then put it to bed  
Tomorrow we'll do it all over again

chorus :

That just a day, a day in the life of America  
That's just the way we live our lives in America  
Each night is the same as the evening before  
Check all your e-mails and lock all the doors

Half-hour break on a workout machine  
While surfing a 200 channel TV  
Then comes the weekend, the time we like best  
One day for catch up, the other for rest  
But how can we rest when we're so far behind  
An hour for God is all we can find

repeat chorus

Some people praise it and some people hate it  
This beautiful chaos we made

repeat chorus x3
