

# Ronnie Milsap, Hate The Lies / Love The Liar

If a star fell from the sky for every time you told a lie  
There wouldn't be a star left in the blue  
Ain't no river long enough or wide enough or deep enough  
To hold all of the tears I've cried for you.

I hate the lies but love the liar  
Can't help myself what can I do?  
I hate the lies, love the liar so much  
That I convince my heart they're true  
And I just can't stop loving you.

--- Instrumental ---

If somebody wrote a song for every time you've done me wrong  
The blues would be the only songs you'd hear  
You come up with same excuse you smile at me and what's the use  
Your voice is like a love song to my ear.

I hate the lies but love the liar  
Can't help myself what can I do?  
I hate the lies, love the liar so much  
That I convince my heart they're true  
And I just can't stop loving you.

I hate the lies but love the liar  
Can't help myself what can I do?  
I hate the lies, love the liar so much  
That I convince my heart they're true  
And I just can't stop loving you...
