

Ronnie Milsap, The Freeze

Dont
Tempt me with your eyes
Or fill my heart with lies
If u dont really want me to
And say, say whats on your mind
Just give me some kind of sign
To let me know what I'm supposed to do

(chorus)
Cuz if you dont want me to
Then tell me
Its too easy loving you
Like it should be
If u dont want me to
dont tease me, dont tease me
Try to please me

The way, the way you say good night
Makes me want to stay each time
Girl you know Im really wanting you
Marry-Go-Round
You get me so high off the ground
Now dont you go and let me down
Girl you dont know what I'm going through
Im sooo all over you

So if you dont want me to
Then tell me
Its too easy loving you
Like it should be
If you dont want me to
Dont tease me, dont tease me
Try to please me

If you dont want me to (if you dont want me to)
Then tell me
Its too easy loving you
Like it should be
If you dont want me to (if you dont want me to)
Dont tease me, dont tease me
Try to please me

If you dont want me to (if you dont want me to)
Just tell me
Its so easy loving you
Like it should be
Tell me what I should do (if you dont want me)
Dont tease me, dont tease me
Try to please me

If you dont want me to (if you dont want me to)
Just tell me
Its so easy loving you
Like it should be
Tell me what I should do (if you dont want me to)
Dont tease me, dont tease me
Try to please me
