

Ronnie Milsap, Why Don't You Spend The Night

How did it get so late, where did the night go to
Strange how it slips away when I'm with you
I know it's almost two, I know you should leave, but wait
I've thought it over and there's something I gotta say.

Chorus:

Why don't you spend the night? Somehow it seems so right
Why does it have to end so soon, please stay 'til the morning light
It's such a long way home, and you'd only be alone
Ah, come on now, why don't you spend the night?

Maybe I spoke too soon and maybe my timing's wrong
Or maybe it's something I shouldn't have said at all
But when I look in your eyes, I feel like we're almost one
Ah, something tells me the night's only just begun.

Chorus:

Why don't you spend the night? Somehow it seems so right
Why does it have to end so soon, please stay 'til the morning light
It's such a long way home, and you'd only be alone
Ah, come on now, why don't you spend the night?

Chorus:

Why don't you spend the night? Somehow it seems so right
Why does it have to end so soon, please stay 'til the morning light
It's such a long way home, and you'd only be alone
Ah, come on now, why don't you spend the night?...
