

# Rookie Of The Year, Here Today

close your eyes tonight.  
don't you go she whispered softly.  
i don't want to be the one to take this chance.  
i don't feel like i'm going to be the one  
to say what you want to hear.  
finally we're here today,  
standing face to face and then she said good-bye.  
things are looking better now.  
i got my heart up off the ground  
and everything is looking like it's going to be ok.  
here she comes. here she comes.  
down on myself. down on myself again,  
pick yourself up boy.  
don't know where to begin.  
where are you now?  
what's left to say?  
she's gone...
