

# Rookie Of The Year, Life, Fall Fast Now

I'm already yours  
you can see it in my eyes  
I'm already yours  
don't lie

life falls fast now  
she hits the ground, tonight  
let me save you

I'm already yours  
you can see it in my eyes  
I'm already yours  
don't lie

Life falls fast now  
she hits the ground, tonight  
let me save you

I'm already yours  
you can see it in my eyes  
I'm already yours  
don't lie

Life falls fast now  
she hits the ground, tonight  
I'm already yours
