

# Room 2012, Cuckoo brain

I know I want it for real  
But she wants to let go  
Shes got me spinning around and going insane  
I really want her in my space  
Shes thrown it in my face  
Shes got me flipping like a cuckoo brain

Bridge:

You used to love me, but you dont love me now  
Its running around inside of my head  
You used to want me, but you dont want me now, ah  
But in my head I

Chorus:

I still see flowers in the garden  
All the birds still sing for you  
Bright shining colours in the rainbow  
Why cant you see it too  
Oooohoo hoo hoo  
She loves me not  
Oooohoo hoo hoo

Watch out

Im burning up with desire  
Ill relight your fire  
Aint nobody gonna love you like me  
Take your head out the clouds  
Get your feet on the ground, girl  
And come an get ya freaking love

Bridge

Chorus

Oooohoo hoo hoo  
She loves me not  
Oooohoo hoo hoo  
She thinks Im a brain  
I aint no head  
She thinks Im a brain  
This girl must want me dead  
So can I get a brain  
Just a little bit a head  
Ooh I like that, yeah  
This girl must want me dead  
I know I want her for real  
But she wants to let go  
I really want her in my space  
Shes thrown it in my face

1, 3, 4, next door

Chorus 2x

Its a cuckoo brain 4x
