

# Room 2012, Never Give Up

Never give up just try again,  
never give up just jump on a train,  
never give up there'll be an other chance for you.

Please don't never give up,  
never give up to jump on a train,  
never give up there'll be an other chance for you

What can I say?

What can I do?

Come on believe in miracles  
to make your dreams come true.

Because this life  
is not easy.

Just listen to the words

I like to say.

Never give up just try again,  
never give up just jump on a train,  
never give up there'll be an other chance for you.

Please don't never give up,  
never give up to jump on a train,  
never give up there'll be an other chance for you

Remember what you've done  
and learn from your mistakes,  
always keep your head up  
no matter what they say!

You have to fight

I'm sure you'll make it right!

Just listen to the words

I like to say.

And I told myself

I would not give up  
now there's nothing  
to stand in my way.

You can see it's true  
that nothing is impossible,  
You can be what you want to be.

Never give up just try again,  
never give up just jump on a train,  
never give up there'll be an other chance for you.

Please don't never give up,  
never give up to jump on a train,  
never give up there'll be an other chance for you
