

Room 5, Make Luv (ft. Oliver Cheatham)

like to party mmhmm
Everybody does
Make luv and listen to the music
You've gotta let yourself go ooh ooh ooh ooh

I like to party mmhmm
Everbody does
You can be in the weekend of yours
To see what you give it to

Make luv and listen to the music
You've gotta let yourself go ooh ooh ooh ooh
Make luv and listen to the music
You've gotta let yourself go ooh ooh ooh ooh
Make luv and listen to the music
You've gotta let yourself go ooh ooh ooh ooh
Make luv and listen to the music
You've gotta let yourself go ooh ooh ooh ooh

I like to party mmhmm
Everbody does
You can be in the weekend of yours
To see what you give it to

Make luv and listen to the music
You've gotta let yourself go ooh ooh ooh ooh
Make luv and listen to the music
You've gotta let yourself go ooh ooh ooh ooh

Gotta get myself
Gotta move on up
Make luv until the morning now

Make luv and listen to the music
You've gotta let yourself go ooh ooh ooh ooh
(Repeat to fade)
