

Room 94, Breaking Point

I need a second to work this out
I need a second to scream and shout

Shout up can't take this any more
I got my feet half out the door

I need to think before I speak
I need to shake this cause I feel weak

No where to run
No where to hide
I'm think I'm going crazy
Think I'm losing my mind

(no where to hide)

Think I'm loosing my mind,

I'm breaking down so sick of feeling
I'm breaking out so what for leaving
Forget it all Now I can't see
Everything we used to be
So heres the fact I'll take it back
I'll take it back
I'll find my way back to me

Don't make me feel this way again
Don't make me feel like this was meant

I'm feeling numb
I'm feeling sore
Gotta try to escape
Gotta try to ignore

(try to ignore)

Gotta try to ignore
Gotta try to ignore

I'm breaking down so sick of feeling
I'm breaking out so what for leaving
Forget it all Now I can't see
Everything we used to be
So heres the fact I'll take it back
I'll take it back
I'll find my way back to me

Coz I can feel it
I know you see it
Coz everyone is watching
your next move

I'm breaking down so sick of feeling
I'm breaking out so what for leaving
Forget it all Now I can't see
Everything we used to be
So heres the fact I'll take it back
I'll take it back
I'll find my way back to me
