

Rooney, Drifting

It's the first time
In a long time
That I've drifted away from you
It's the first time
In a long time
That I've seen someone new
It's not what it once was
It's not what it used to be
I'm not who I once was
I'm not who I used to be
Can you hear me?
Do you hear what I say?
I've been waiting all day
Do you hear me?
Can you hear what I say?
I've left
Without you
