

Rooney, Flight 22

Now I know I can't move on (x3)

You were supposed to leave on Monday morning
But you changed your flight to Thursday night
I was supposed to take you 'round and 'round
This crazy town they like to call original

Well, I have this feeling you're not coming back
Yes, I have this feeling you're not coming back

Well, I don't want to be there
When you're going to be there
I don't want to be there
When you're going to be there

Now I know I can't move on (x2)

Now that you left I don't know if I screwed up
The signs keep telling me that something's wrong
I called the airline, they said they would page you
But they were too lazy and unaware of the signs

Well, I have this feeling you're not coming back
Yes, I have this feeling you're not coming back

Well, I don't want to be there
When you're going to be there
I don't want to be there
When you're going to be there

Oh, this is happening again
The number 22 is watching me, watching you
Way up in the sky
Don't know if you made it
Or if there's something wrong
I tried, and tried, to get you to come back
You never ever ever came back

Well, I don't want to be there
When you're going to be there
I don't want to be there
When you're going to be there

Now I know I can't move on

Well, I don't want to be there
When you're going to be there
I don't want to be there
When you're going to be there

I don't want to be there
When you're going to be there
