

Rooney, It Goes To Bed

Why are you surprised
Nobody's arrived?
The thoughts on people's minds are
We're nothing
And must you be so blind
Not to realize
Everybody's thoughts mean something?

It goes to bed (x4)
Can't you realize we're nothing?

Nothing stays the same
All we do is blame
But we're the ones at fault
No one's perfect
I'll tell it like it is
We don't belong in this biz
Pack up your vintage life
We're leaving

It goes to bed (x4)

Can't you realize

That they say what they think they know?
And they know what's on television?
They dress how the others dress?
And they feel without the truth of even feeling?

It goes to bed (x6)

Can't you realize
We must compromise?
