Rooney, It It Were Up To Me

She doesn't have the answer yet The answer yet I'm breathing down her neck Maybe i should give her time

If it were up to me She would know that She'll be the one When i'm dead will use my bed And she'll spend her life Thinking of us and making a fuss If it were up to me She would know that

Our love (our love)
Is the best love (best love)
If it were up to me
Yes, our love (our love)
Is real love
So just let it be

I want you to know I've done our charts and it says That we work as one Like the jackson 5 and the temptations If it were up to me She would know that

Our love (our love)
Is the best love (best love)
If it were up to me

Yes, our love (our love) Is real love So just let it be

Well, your mother likes my smile And your father likes my lifestyle Should i ask them what i asked you To get the answer Yes, to get the answer

It's easy (easy)
It's easy (easy)
It's easy (easy)
Oh it's easy (easy)

Your mother likes my smile And your father likes my lifestyle Should i ask them what i asked you To get the answer Yes, to get the answer

Cause our love (our love)
Is the best love (best love)
If it were up to me
Yes, our love (our love)
Oh, is real love
So just let it be

Its easy (easy) Its easy (easy) Its easy
