

Rooney, Paralyzed

I can't feel my shins or my toes
I can't feel my knees
Or my soles
I don't know why
Maybe you do
I don't know why

Chorus:
Whoa-oo-oo-oo
You Got Me Para-ly-ized (x2)

I can't feel my shins my eyes or my hips
I can't feel my gut or coccyx
I don't know yet maybe you do
I don't know why

Chorus x2

All I could feel is my heart
and its wasting its time
Beating for nothing
cause i'm already gone
And You Got Me Para-ly-ized
(guitar solo)

i can't feel my (i can;t feel my legs)
i would but i can;t feel my

Chorus x2

All I could feel is my heart
and its wasting its time
Beating for nothing
cause i'm already gone
And You Got Me Para-ly-ized
