

Rooney, Someone's Watching

Look at the stars
Tilt your head up to the universe
The master of all time
Can you hear
The planets talking to the
Mental patients curled up in their rooms?

Who do you want to be
When it's dark and
No one's around (watch out)?
What do you feel
When no one's around
But someone's watching over you?

Can you feel
Your body wither away
When you sit on your ass all day?
Look at yourself
You've become the less evolved
Just like everyone else

Who do you want to be
When it's dark and (inside)
No one's around (watch out)?
What do you feel
When no one's around
But someone's watching over you? (x2)

Who do you want to be
When it's dark and (inside)
No one's around (watch out)?
What do you feel
When no one's around
But someone's watching over you?
